

Student Opportunity Newsletter, Week Seven

This week whether you're interested in undertaking a research project, in finding out more about studying or working abroad, or in partaking in an award to boost your skills, we've got you covered. Read on for all this and more...

URSS Showcase event

Wednesday 15 November, 1 – 3pm, Panorama Room, Rootes Building

The Undergraduate Research Support Scheme (URSS) Showcase Event celebrates the achievements of undergraduate students who completed a summer research project. If you are considering applying for the [URSS](#) or are interested in research, come along and meet this year's participants, hear live presentations and see around 170 research posters on display.

[Global Opportunities Showcase](#)

Wednesday 15 November, 1 – 4pm, Rootes Restaurant

Find out about international study, work and volunteering opportunities, speak to teams who organise global opportunities, hear from students about their international experiences, and visit stalls to enter our prize draw to win a £50 Amazon voucher.

Warwick Award Webinar

Friday 17 November, 1.30 – 2.15pm, online

If you're interested in the [Warwick Award](#), join the live webinar to find out more and ask your questions. The webinar will also cover how to navigate the Award platform and how to find and participate in a range of skills development opportunities. No need to pre-book, just join the webinar via [this Teams link](#).

Employer Presentation

Book your spot to meet employers and discover graduate opportunities.

- [Sainsbury's Finance FastStart Graduate Programme](#)

Wednesday 15 November, 6 – 7.30pm

[WorkReady Toolkit](#)

WorkReady guides you through your work experience journey and gets you ready for graduate jobs. The toolkit can help you search for work experience, build your confidence so you are ready for work, and support you in reflecting on your experience and the skills you gained.

[Shaping the future of UK mobility with Bosch](#)

Wednesday 22 November 2023, 4 – 6pm, NAIC

This event, hosted by Bosch, is an opportunity for undergraduate students to network with a team of engineers and business experts, view STEM exhibits and archives, discuss career opportunities and view display vehicles.

[Warwick Careers Blog](#)

Whether you're looking for tips on how to answer interview questions, want more information about graduate schemes or are seeking advice on how to network, the Warwick Careers Blog has a range of articles which inform and inspire.

The Skillscast

The latest episode of the Skillscast – our skills team’s podcast about developing your skills while at university – is now live. In this episode, you’ll hear from senior careers consultants about how to market and communicate your skills to potential employers, how to find out what skills employers are looking for, and how to talk about your skills at assessment centres and in job interviews. Listen on [Spotify](#), [Apple](#), or wherever you find your podcasts.
