

WEEK 10 PHYSCAFÉ

PhysSoc Exec

UPDATING NOTES

We are hoping to update the sets of typed notes we have on the PhysSoc website. Some new notes have already been uploaded this year (PX262, PX3A3).

If you have any notes that you don't mind sharing, please send them our way!

If you also want to participate in typing up the notes (please do!), we will be sending out a form at the end of term to fill out. You **don't** need to know LaTeX!

Communication will be done on Teams once signed up since everyone has access to Teams.

END OF TERM

- Well done for making it through a tough term
- Things to think about over the Christmas holiday:
 - First years: January exam
 - Housing – Leamington? Coventry? Canley? Campus?
 - Internship/URSS applications
- Most importantly, enjoy the time off. It's important to take the time to reset ready for next term.

THINGS TO BE THINKING ABOUT

Exam:

- First experience of university examinations
- Figure out how you study best
- Ask for help if you need it

UG office: P5.22

Housing

- How do I look for housing?
 - Student homes
 - Rightmove
 - Belvoir
 - Handles
 - Warwick website (accommodation)

QUIZ TIME

- Thank you to everyone who has attended any of our events this term – we are looking forward to running plenty more in the new year
- Things to look forward to:
 - More socials!
 - PhysCafé (more free pizza)
 - Ball
 - Tour
- Time for a quiz!
