

Student Opportunity Newsletter, Week Two

Week two is here and we've got a varied programme of events coming up to help you with career planning, internship support, a couple of fairs where you can meet employers and find out about opportunities, as well as some training to enhance your intercultural skills.

*

Get experience

This term we'll be highlighting opportunities for you to get experience – to increase your employability, help you explore career options, develop your global outlook or enhance your skills, or do all of these at once! We hope by getting experience your time at Warwick will be enriched and equip you for the future.

Internships and Placements Fair

Wednesday 31 January, 1 – 4pm, Rootes Building

The Internships and Placements Fair offers you the opportunity to meet with a wide range of employers offering internships, placements and graduate opportunities across a variety of sectors.

Warwick Advance Internship Programme (WAIP)

Open to students from underrepresented backgrounds, WAIP allows you to access an exclusive list of internships, application support, and a bursary to help with costs. There'll also be employer events and workshops throughout the year to develop your skills, and the opportunity to connect with other students. [Find out more and apply](#)

Upcoming WAIP events:

- [The 1-Hour Project Presentation](#) – *Tuesday 23 January, 12 – 1pm*
The 1-Hour Project is a charity which links Widening Participation students with experts in different sectors who offer their advice and guidance. Come along to find out how you can get involved.
- [The 10K Interns Foundation](#) – *Tuesday 30 January, 3 – 4pm*
This session is about harnessing your background for application, interview and careers success. 10K Interns Foundation is an organisation with plenty of experience linking talented Widening Participation students to opportunities.

Medical Application Support Programme (MASP): Mock Multiple Mini Interviews

Wednesday 17 January, 9.30 – 11.30am, Medical School Building

If you are applying to medical school, practise completing a face-to-face Multiple Mini Interview assessment with interviewers from Warwick Medical School and the careers team. You will rotate around six stations, each comprising a different interview scenario, and will receive feedback on your performance to help you prepare for MMIs. The Mock MMIs are open to students from any department. [Book a time slot](#)

*

Careers with Social Impact Day

Wednesday 24 January, 12 – 3pm, Rootes Building

This mini careers fair will allow you to engage with employers whose primary focus is working for more than commercial benefit. The fair will feature a broad range of organisations including those

working in the third/charity sector, public sector, international development and sustainability. No need to book, just turn up. [Find out more](#)

Intercultural Training Workshops

These fun, interactive workshops equip you to better understand, communicate, and build effective relationships with those from different cultural backgrounds. Book your place on the workshops this term:

- [Intercultural Awareness](#) – Wednesday 24 January, 1.30 – 3pm
- [Intercultural Competence](#) – Wednesday 7 February, 1.30 – 3pm
- [Intercultural Games](#) – Wednesday 14 February, 1.30 – 3.15pm
- [Working in Multicultural Teams](#) – Wednesday 21 February, 1.30 – 3pm

Public Health Careers Showcase

Monday 15 January, 6.30 – 8pm, online

Warwick Medical School and School of Life Sciences Careers are hosting a series of events this term to showcase careers in various sectors. In this showcase, you students will hear from professionals in public health discussing their career paths.

AI for Career Planning

Thursday 18 January 2024, 2 – 3pm, Senate House

This careers workshop provides insight into avoiding the pitfalls and utilising the advantages of artificial intelligence. Participants will be able to structure well researched queries, use generative AI to research industries and job roles, and to humanise AI output.
